

North East University Bangladesh

Department of Computer Science and Engineering

June 8, 2020

Notice

This is to notify all the students who are taking **CSE 400: Thesis/Project I** for Summer 2020 semester, that for both thesis and project a group of at most 2 persons will be allowed. Interested students are advised to form group and contact any of the supervisors listed below. It must be noted that each supervisor has a limited slot for supervising groups. So, all the students are advised to contact supervisors by **June 18, 2020, Thursday**. If any supervisor is convinced to supervise a group, they will report it to the department. An updated slot list will be published on Later.

Also to be noted is that due to current COVID-19 pandemic and ongoing lockdown, procedure for the initial screening of thesis students has been temporarily changed in a department meeting held on **June 7, 2020, Sunday**. As part of this process respective supervisor will decide if their supervising group should be qualified to take thesis or not. For this purpose the respective supervisor may assign tasks to the groups for assessing their eligibility.

It is also be noted that only student who have submitted application for taking research will be able to take thesis as part of **CSE 400: Thesis/Project I**.

Research interest of faculty members are available at: <https://bit.ly/NEUBCSEResearchInterest>
